

MERIDIUS RESOURCE LIMITED.

INFORMATION CIRCULAR

(Containing information as at February 8, 2019, or unless otherwise stated)

This information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Meridius Resources Limited (the “**Company**”) for use at the Annual General Meeting of the Shareholders of the Company (and any adjournment thereof) to be held on March 15, 2019 (the “**Meeting**”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting.

In this Information Circular, references to “the Company”, “Meridius Resources”, “we” and “our” refer to Meridius Resources Limited. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

No other matters are contemplated, however any permitted amendment to or variation of any matter identified in this Notice may properly be considered at the Meeting. The Meeting may also consider the transaction of such other business as may properly come before the Meeting or any adjournment thereof.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to a toll free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting, or the adjournment thereof, at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States (the "U.S."), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and in the United States. Broadridge mails a voting instruction form (a "VIF") in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you), in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with Broadridge's instructions, well in advance of the Meeting in order to have the Common Shares voted at the Meeting, or**

to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares.

Notice to United States Shareholders

The solicitation of proxies is not subject to the requirements of Section 14(a) of the U.S. Exchange Act by virtue of an exemption applicable to proxy solicitations by foreign private issuers as defined in Rule 3b-4 of the U.S. Exchange Act. Accordingly, this Information Circular has been prepared in accordance with applicable Canadian disclosure requirements. Residents of the United States should be aware that such requirements differ from those of the United States applicable to proxy statements under the U.S. Exchange Act.

This document does not address any income tax consequences of the disposition of the Company shares by shareholders. Shareholders in a jurisdiction outside of Canada should be aware that the disposition of shares by them may have tax consequences both in those jurisdictions and in Canada, and are urged to consult their tax advisors with respect to their particular circumstances and the tax considerations applicable to them.

Any information concerning any properties and operations of the Company has been prepared in accordance with Canadian standards under applicable Canadian securities laws, and may not be comparable to similar information for United States companies.

The enforcement by the Company Shareholders of civil liabilities under the United States federal securities laws may be affected adversely by the fact that the Company is incorporated or organized under the laws of a foreign country, that some or all of their officers and directors and the experts named herein are residents of a foreign country and that the major assets of the Company are located outside the United States.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein.

No compensation securities were exercised by the NEOs and directors of the Company, current and former, for the financial year ended August 31, 2018.

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NEO COMPENSATION

Compensation, Philosophy And Objectives

The primary goal of our executive compensation program is to attract and retain the key executives necessary for the Company's long term success, to encourage executives to further the development of the Company and our operations, to motivate skilled and experienced executives, and to reward management for their contributions to the Company's achievements on both an annual and long term basis. The key elements of the executive compensation program are base salary or management fees and incentive stock options, and the Company may, from time to time, make cash bonuses a component of compensation, taking into consideration performance by both the Company and the respective

personnel. Though the Company has not, as yet, adopted a formal bonus plan or non-equity incentive plan, all personnel, including executive officers, are eligible to receive bonuses. Our directors are of the view that all elements of the total compensation program should be considered, rather than any single element.

Compensation Process, the Role of the Compensation Committee and Compensation Governance: The Company relies solely on its Board of Directors, through discussion without any formal objectives, criteria or analysis, in determining the compensation of its executive officers. The Board of Directors is responsible for determining all forms of compensation, including long-term incentives in the form of incentive stock options that may be granted to directors, officers, employees and consultants, and for reviewing compensation for the Company's executive officers to ensure such arrangements reflect the responsibilities and risks associated with each position.

When determining the compensation of the Company's executive officers, the Board of Directors considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Option-based Awards: Options to purchase common shares of the Company are intended to align the interests of our directors and executive officers with those of our shareholders and to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value. The Company's stock option incentive plan is administered by the Board of Directors (see "Particulars of Other Matters to be Acted Upon – Ratification of Stock Option Plan").

In establishing the number of the incentive stock options to be granted, the Board of Directors will consider any previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options, and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation.

As of the date of hereof, our executive officers do not receive any benefits or perquisites that are not generally available to all of our officers and employees.

Pension Plan Benefits and Deferred Compensation Plans: The Company does not have in place any deferred compensation plan or pension plan that provides for payments or benefits at, following or in connection with retirement.

Risks Associated with Compensation Practices: Our Board of Directors has not, as yet, specifically considered the implications of any risks to the Company associated with decisions regarding compensation of its executive officers. However, as compensation of executive officers is determined by negotiation of set, monthly amounts between the Board of Directors and the individual, or at the discretion of the Board as relates to any bonus potential or stock option incentive plan awards, and compensation of the Company's executive officers is not based on quantitative performance criteria, management is of the view that there is no material risk of the Company's executive officers or directors taking, as a result of compensation process or potential, inappropriate or excessive risks during the performance of their duties that are reasonably likely to have a material adverse effect on the Company or its business and operations.

Hedging by Executive Officers or Directors: The Company has not adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted or awarded as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Form, entitlement to grants of incentive stock options under the Company's stock option plan is the only equity security element awarded by the Company to its executive officers and directors.

Termination And Change Of Control Benefits: The Company is not a party to any contract, agreement, plan or arrangement with its NEOs that provide for payments to NEOs at, following, or in connection with any termination (whether voluntary, involuntary or constructive), resignation or retirement, or as a result of a change in control of the Company or a change in a Named Executive Officer's responsibilities.

Pension: The Company does not have any form of pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement. The Company does not have any form of deferred compensation plan.

PARTICULARS OF MATTERS TO BE ACTED UPON

Continuation of 10% “rolling” Stock Option Plan (the “Option Plan”)

In accordance with the policies of the TSX Venture Exchange, a rolling plan requires the approval of the Company's shareholders on an annual basis. The Company's 2017 Option Plan was implemented in September 2017 and a copy is attached hereto as Schedule “B”.

Summary of the Option Plan

The Option Plan shall be administered by the Board or if appointed, by a special committee of directors appointed from time to time by the Board. The aggregate number of common shares that may be reserved for issuance under options granted in accordance with the terms of the Option Plan shall not exceed 10% of the Company's issued and outstanding common shares at the time of grant. The number of common shares subject to an option granted to a “Participant” (as such term is defined in the Option Plan) shall be determined by the Board, but no Participant shall be granted an option that exceeds the maximum number of shares permitted by any stock exchange on which the common shares are then listed or by any other regulatory body having jurisdiction (as defined collectively in the Option Plan as the “Exchange”). The exercise price for purchase of the common shares underlying each option shall be determined by the Board, provided however, that the exercise price shall not be less than the minimum price permitted by the Exchange. Subject to any applicable approvals required by the Exchange, the Board has the absolute discretion to suspend or terminate the Option Plan; and, subject to any required Exchange approval, the Board may also amend or revise the terms of the Option Plan provided that no such amendment or revision shall result in a material adverse change to the terms of any options granted under the Option Plan, unless shareholder approval is obtained for such amendments or revisions.

The maximum term of any option granted under the Option Plan shall be ten years from the date the option is granted. Notwithstanding the above, options will expire 90 days after an individual ceases to qualify as a Participant under the Option Plan for any reason other than death, subject to extension at the discretion of the Board. Options granted to a Participant that provides investor relations activities will expire 30 days after the Participant ceases to provide investor relations services to the Company, subject to the individual otherwise qualifying as a Participant under the Option Plan. In the event of the death of a Participant, options previously granted to the Participant shall be exercisable by the Participant's estate for one year from the date of death if and to the extent that such option had vested and was exercisable at the date of death.

Pursuant to the Company's practice respecting restrictions on trading, there are a number of periods each year during which directors, officers and certain employees are precluded from trading in the Company's securities. These periods are referred to as “black-out periods”. A black out period is designed to prevent a person from trading while in possession of material information that is not yet available to the public. The Option Plan includes provision that should an option expiration date fall within a black out period or immediately following a black-out period, the expiration date will automatically be extended for ten business days following the end of the black-out period.

The Option Plan also provides for adjustments to outstanding options in the event of any consolidation, subdivision, conversion or exchange of the common shares of the Company; and includes provisions related to withholding tax obligations of the Company on exercise of options by Participants.

Our directors may, at their discretion at the time of any grant, impose a schedule over which period of time an option will vest and become exercisable by a Participant.

As at the date hereof, there are options outstanding under the Option Plan entitling the purchase of an aggregate 1,175,000 common shares of the Company at \$0.10 per share expiring in February 2023, which options are held by the

Company's directors, officers and consultants. Based on the number of common shares of the Company issued and outstanding as of the date hereof, there are no further option grants available.

Stock Option Plan Resolution

At the Meeting, Shareholders will be asked to pass the following ordinary resolution to ratify, conform and approve the Option Plan:

“RESOLVED that the Company's 10% rolling Stock Option Plan dated September 15, 2017 be and is hereby ratified, confirmed and approved until the next annual general meeting of the Company.”

- (b) the maximum number of Options which may be granted to Insiders within any 12 month period must not exceed 10% of the Outstanding Issue (including any Options which are granted and exercised within that 12 month period unless the Company has obtained disinterested shareholder approval as required by the TSXV);
- (c) with respect to section 5.1, the Expiry Date of an Option shall be no later than the tenth anniversary of the Grant Date of such Option;
- (d) the maximum number of Options which may be granted to any one Consultant within any 12 month period must not exceed 2% of the Outstanding Issue; and
- (e) the maximum number of Options which may be granted within any 12 month period to Employees or Consultants engaged in investor relations activities must not exceed 2% of the Outstanding Issue and such options must vest in stages over 12 months with no more than 25% of the Options vesting in any three month period,

and such limitation will not be an amendment to this Plan requiring the Option Holders consent under section 9.2 of this Plan.

2.4 Notification of Grant

Following the granting of an Option, the Administrator shall, within a reasonable period of time, notify the Option Holder in writing of the grant and shall enclose with such notice the Option Certificate representing the Option so granted. In no case will the Company be required to deliver an Option Certificate to an Option Holder until such time as the Company has obtained all necessary Regulatory Approvals for the grant of the Option.

2.5 Copy of Plan

Each Option Holder, concurrently with the notice of the grant of the Option, shall be provided with a copy of the

Plan. A copy of any amendment to the Plan shall be promptly provided by the Administrator to each Option Holder.

2.6 Limitation on Service

The Plan does not give any Option Holder that is an Executive the right to serve or continue to serve as an Executive of the Company or any Subsidiary, nor does it give any Option Holder that is an Employee or Consultant the right to be or to continue to be employed or engaged by the Company or any Subsidiary.

2.7 No Obligation to Exercise

Option Holders shall be under no obligation to exercise Options granted under this Plan.

2.8 Agreement

The Company and every Option Holder granted an Option hereunder shall be bound by and subject to the terms and conditions of this Plan. By accepting an Option granted hereunder, the Option Holder has expressly agreed with the Company to be bound by the terms and conditions of this Plan. In the event that the Option Holder receives his, her or its Options pursuant to an oral or written agreement with the Company or a Subsidiary, whether such agreement is an employment agreement, consulting agreement or any other kind of agreement of any kind whatsoever, the Option Holder acknowledges that in the event of any inconsistency between the terms relating to the grant of such Options in that agreement and the terms attaching to the Options as provided for in this Plan, the terms provided for in this Plan shall prevail and the other agreement shall be deemed to have been amended accordingly.

2.9 Any notice, delivery or other correspondence of any kind whatsoever to be provided by the Company to an Option Holder will be deemed to have been provided if provided to the last home address, fax number or email address of the Option Holder in the records of the Company and the Company shall be under no obligation to confirm receipt or delivery.

2.10 Representation to TSXV

As a condition precedent to the issuance of an Option, the Company and the Option Holder must be able to represent to the TSXV as of the Grant Date that the Option Holder is a bonafide Executive, Employee or Consultant of the Company or any Subsidiary. The Option Certificate to which the Option Holder is a party must contain such a representation by the Option Holder.

SECTION 3
NUMBER OF SHARES UNDER PLAN

3.1 Board to Approve Issuance of Shares

The Board shall approve by resolution the issuance of all Shares to be issued to Option Holders upon the exercise of Options, such authorization to be deemed effective as of the Grant Date of such Options regardless of when it is actually done. The Board shall be entitled to approve the issuance of Shares in advance of the Grant Date, retroactively after the Grant Date, or by a general approval of this Plan.

3.2 Number of Shares

Subject to adjustment as provided for herein, if the Company is listed on the TSXV, the number of Shares which will be available for purchase pursuant to Options granted pursuant to this Plan will not exceed 10% of the number of Shares which are issued and outstanding on the particular date of grant of Options. If any Option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares in respect of such

expired or terminated Option shall again be available for the purposes of granting Options pursuant to this Plan.

3.3 Fractional Shares

No fractional shares shall be issued upon the exercise of any Option and, if as a result of any adjustment, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made for the fractional interest.

SECTION 4 GRANT OF OPTIONS

4.1 Grant of Options

The Committee shall, from time to time in its sole discretion, grant Options to such Persons or Entities and on such terms and conditions as are permitted under this Plan.

4.2 Record of Option Grants

The Committee shall be responsible to maintain a record of all Options granted under this Plan and such record shall contain, in respect of each Option:

- (a) the name and address of the Option Holder;
- (b) the category (Executive, Employee or Consultant) under which the Option was granted to him, her or it;
- (c) the Grant Date and Expiry Date of the Option;
- (d) the number of Shares which may be acquired on the exercise of the Option and the Exercise Price of the Option;
- (e) the vesting and other additional terms, if any, attached to the Option; and
- (f) the particulars of each and every time the Option is exercised.

4.3 Effect of Plan

All Options granted pursuant to the Plan shall be subject to the terms and conditions of the Plan notwithstanding the fact that the Option Certificates issued in respect thereof do not expressly contain such terms and conditions but instead incorporate them by reference to the Plan. The Option Certificates will be issued for convenience only and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 5 TERMS AND CONDITIONS OF OPTIONS

5.1 Exercise Period of Option

Subject to sections 5.4, 6.2, 6.3, 6.4 and 11.4, the Grant Date and the Expiry Date of an Option shall be the dates fixed by the Committee at the time the Option is granted and shall be set out in the Option Certificate issued in

respect of such Option.

5.2 Number of Shares Under Option

The number of Shares which may be purchased pursuant to an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option.

5.3 Exercise Price of Option

The Exercise Price at which an Option Holder may purchase a Share upon the exercise of an Option shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Exercise Price shall not be less than the Market Value of the Shares as of the Grant Date. The Market Value of the Shares for a particular Grant Date shall be determined as follows:

- (a) for each organized trading facility on which the Shares are listed, Market Value will be the closing trading price of the Shares on the day immediately preceding the Grant Date, and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;
- (b) if the Company's Shares are listed on more than one organized trading facility, the Market Value shall be the Market Value as determined in accordance with subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Committee, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Company's Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee; and
- (d) if the Company's Shares are not listed on any organized trading facility, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee to be the fair value of the Shares, taking into consideration all factors that the Committee deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length.

Notwithstanding anything else contained herein, in no case will the Market Value be less than the minimum prescribed by each of the organized trading facilities that would apply to the Company on the Grant Date in question.

5.4 Termination of Option

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Committee at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, in paragraphs (a) or (b) below or sections 6.2, 6.3, 6.4, or 11.4 of this Plan:

- (a) **Ceasing to Hold Office** - In the event that the Option Holder holds his or her Option as an Executive and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position unless the Option Holder ceases to hold such position as a result of:

- (i) ceasing to meet the qualifications set forth in the corporate legislation applicable to the Company;
- (ii) a special resolution having been passed by the shareholders of the Company removing the Option Holder as a director of the Company or any Subsidiary; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order;
- (iv) in which case the Expiry Date shall be the date the Option Holder ceases to hold such position;
OR
- (v) Ceasing to be Employed or Engaged - In the event that the Option Holder holds his or her Option as an Employee or Consultant and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee and expressly provided for in the Option Certificate, the 30th day following the date the Option Holder ceases to hold such position, unless the Option Holder ceases to hold such position as a result of:
 - (i) termination for cause;
 - (ii) resigning his or her position; or
 - (iii) an order made by any Regulatory Authority having jurisdiction to so order;

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

- (b) In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Option was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Option, the Committee may, in its sole discretion, choose to permit the Option to stay in place for that Option Holder with such Option then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.5 Vesting of Option and Acceleration

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan.

5.6 Additional Terms

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will

supersede the provisions of the Plan.

SECTION 6 TRANSFERABILITY OF OPTIONS

6.1 Non-transferable

Except as provided otherwise in this section 6, Options are non-assignable and non-transferable.

6.2 Death of Option Holder

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the date of death and the applicable Expiry Date.

6.3 Disability of Option Holder

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated by the Company by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of one year following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4 Disability and Death of Option Holder

If an Option Holder has ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary by reason of such Option Holder's Disability and such Option Holder dies within one year after the termination of such engagement, any Options held by such Option Holder that could have been exercised immediately prior to his or her death shall pass to the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the death of such Option Holder and the applicable Expiry Date.

6.5 Vesting

Notwithstanding any vesting schedule to which Options are subject, Options shall cease to vest immediately if the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated for any reason whatsoever. In which case, the Option Holder may only exercise such number of Options that are vested as at the date of termination of such Option Holder's employment, engagement or appointment as a director or officer.

6.6 Deemed Non-Interruption of Engagement

Employment or engagement by the Company shall be deemed to continue intact during any military or sick leave or other bona fide leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the ninety-first day of such leave.

SECTION 7 EXERCISE OF OPTION

7.1 Exercise of Option

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Administrator the required Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option.

7.2 Issue of Share Certificates

As soon as reasonably practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased. All Share Certificates issued pursuant to the Plan shall be subject to the applicable hold periods set by the Regulatory Rules. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Share Certificate.

7.3 No Rights as Shareholder

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the certificates, the decision of the Committee shall be final, conclusive and binding.

SECTION 8 ADMINISTRATION

8.1 Board or Committee

The Plan shall be administered by the Board, by a Committee of the Board appointed in accordance with section 8.2 below, or by an Administrator appointed in accordance with subsection 8.4(b).

8.2 Appointment of Committee

The Board may at any time appoint a Committee, consisting of not less than two of its members, to administer the Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with this Plan. Once appointed, the Committee shall continue to serve until otherwise directed by the Board. From time to time, the Board may increase the size of the Committee and appoint additional members, remove members (with or without cause) and appoint new members in their place, fill vacancies however caused, or remove all members of the Committee and thereafter directly administer the Plan.

8.3 Quorum and Voting

A majority of the members of the Committee shall constitute a quorum and, subject to the limitations in this section 8, all actions of the Committee shall require the affirmative vote of members who constitute a majority of such quorum. Members of the Committee may vote on any matters affecting the administration of the Plan or the grant of Options pursuant to the Plan, except that no such member shall act upon the granting of an Option to himself or herself (but any such member may be counted in determining the existence of a quorum at any meeting

of the Committee during which action is taken with respect to the granting of Options to that member). The Committee may approve matters by written resolution signed by a majority of the quorum.

8.4 Powers of Committee

The Committee (or the Board if no Committee is in place) shall have the authority to do the following:

- (a) administer the Plan in accordance with its terms;
- (b) appoint or replace the Administrator from time to time;
- (c) determine all questions arising in connection with the administration, interpretation and application of the Plan, including all questions relating to the Market Value of the Shares;
- (d) correct any defect, supply any information or reconcile any inconsistency in the Plan in such manner and to such extent as shall be deemed necessary or advisable to carry out the purposes of the Plan;
- (e) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;
- (f) determine the duration and purposes of leaves of absence from employment or engagement by the Company which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;
- (g) do the following with respect to the granting of Options:
 - (i) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (ii) determine the terms of the Option to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Date, Exercise Price and vesting schedule (which need not be identical with the terms of any other Option);
 - (iii) subject to any necessary Regulatory Approvals and section 9.2, amend the terms of any Options;
 - (iv) determine when Options shall be granted; and
 - (v) determine the number of Shares subject to each Option;
- (h) accelerate the vesting schedule of any Option previously granted; and
- (i) make all other determinations necessary or advisable, in its sole discretion, for the administration of the Plan.

8.5 Administration by Committee

All determinations made by the Committee in good faith shall be final, conclusive and binding upon all persons. The Committee shall have all powers necessary or appropriate to accomplish its duties under this Plan.

8.6 Interpretation

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable

for any action or determination in connection with the Plan made or taken in good faith and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

SECTION 9 APPROVALS AND AMENDMENT

9.1 Shareholder Approval of Plan

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of a majority of the votes cast at a meeting of the shareholders of the Company or by a majority of votes cast by disinterested shareholders at a meeting of shareholders of the Company. If shareholder approval is required, any Options granted under this Plan prior to such time will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

9.2 Amendment of Option or Plan

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder;

then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the TSXV.

SECTION 10 CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES

10.1 Compliance with Laws

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificates representing such Shares accordingly.

10.2 Obligation to Obtain Regulatory Approvals

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2 of this Plan.

10.3 Inability to Obtain Regulatory Approvals

The Company shall not be liable with respect to the failure to complete any transaction related to this Plan, including the exercise of Options or the lawful issuance and sale of any Shares pursuant to such Options, if the Company was unable to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete such transaction.

10.4 Withholding Tax Requirements

Upon exercise of an Option, the Option Holder shall, upon notification of the amount due and prior to the delivery of the certificates representing the Shares, pay to the Company amounts necessary to satisfy applicable federal and provincial withholding tax requirements and, if applicable, Canada Pension Plan contributions, in such amount as determined by the Company, or shall otherwise make arrangements satisfactory to the Company for such requirements. In order to implement this provision, the Company or any related corporation shall have the right to retain and withhold from any payment of cash or Shares under this Plan the amount of taxes and, if applicable, Canada Pension Plan contributions, in such amount as determined by the Company, to be withheld or otherwise deducted and paid with respect to such payment. At its discretion, the Company may require an Option Holder receiving Shares to reimburse the Company for any such taxes and Canada Pension Plan contributions required to be withheld by the Company and withhold any distribution to the Option Holder in whole or in part until the Company is so reimbursed. In lieu thereof, the Company shall have the right to withhold from any other cash amounts due or to become due from the Company to the Option Holder an amount equal to such taxes and, if applicable, Canada Pension Plan contributions as determined by the Company. The Company may also retain and withhold or the Option Holder may elect, subject to approval by the Company at its sole discretion, to have the Company retain and withhold a number of Shares having a market value of not less than the amount of such taxes and, if applicable, Canada Pension Plan contributions, as determined by the Company, required to be withheld by the Company to reimburse the Company for any such taxes and cancel (in whole or in part) any such Shares so withheld.

SECTION 11 ADJUSTMENTS AND TERMINATION

11.1 Termination of Plan

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan.

11.2 No Grant During Suspension of Plan

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3 Alteration in Capital Structure

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price

applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company.

Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2 of this Plan.

11.4 Triggering Events

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2 of the Plan.

11.5 Notice of Termination by Triggering Event

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

11.6 Determinations to be Made By Committee

Adjustments and determinations under this section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.

11.7 Options Granted to U.S. Residents or Citizens

The Options and the Shares issuable upon exercise of the Options have not been registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any applicable securities law of any state of the United States and may not be granted to, or exercised by or on behalf of, any person in the United States, any U.S. person or any person acting for the account or benefit of a U.S. person or person in the United States unless exempt from the registration requirements of the U.S. Securities Act and any applicable securities law of any state

of the United States. The Options granted, and the Shares issued upon exercise of Options, in the United States, to or by or on behalf of a U.S. person or any person acting for the account or benefit of a U.S. person or person in the United States will bear a legend restricting the transfer and exercise of such Options and Shares unless such offer, sale, pledge or transfer is pursuant to an exemption from the U.S. Securities Act and in accordance with any applicable securities laws of any state of the United States. "United States" and "U.S. person" are as defined in Regulation S under the U.S. Securities Act.

Any Option granted under the Plan to an Option Holder who is a citizen or resident of the United States (including its territories, possessions and all areas subject to the jurisdiction) (a "U.S. Option Holder") may be an incentive stock option (an "ISO") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, of the United States (the "Code"), but only if so designated by the Company in the agreement evidencing such Option, and only to the extent such option qualifies as an ISO under this Section 11.7. No more than 5,000,000 Shares may be granted under Options intended to be ISOs, subject to adjustment as provided in Section 11.3 above. No provision of this Plan, as it may be applied to a U.S. Option Holder with respect to Options which are designated as ISOs, shall be construed so as to be inconsistent with any provision of Section 422 of the Code. Grants of Options to U.S. Option Holders pursuant to Section 2 hereof which are not designated as or otherwise do not qualify as ISOs will be treated as non-statutory stock options for U.S. federal tax purposes. The Exercise Price for Shares under each Option granted to a U.S. Option Holder pursuant to this Plan shall be not less than 100% of the Market Value of such Shares at the time granted, (unless such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Sections 409A and 424(a) of the Code).

Options will be granted and operated in such a manner that they are either exempt from the application of, or comply with, the requirements of Code Section 409A, except as otherwise determined in the sole discretion of the Administrator. The Plan and each Option Agreement under the Plan is intended to meet the requirements of Code Section 409A and will be construed and interpreted in accordance with such intent, except as otherwise determined in the sole discretion of the Administrator. Notwithstanding any provision of the Plan to the contrary, in the event that the Administrator determines that any this Plan or any Option hereunder may be subject to Section 409A of the Code and related Treasury Regulations and other interpretive guidance issued thereunder, the Administrator may adopt such amendments to the Plan and the applicable agreement or adopt other policies and procedures (including amendments, policies, and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Option from section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Option, or (b) comply with the requirements of Section 409A of the Code and related Treasury Regulations and other interpretive guidance thereunder and thereby avoid the application of any penalty taxes under such section.

Notwithstanding anything in this Plan contained to the contrary, the following provisions shall apply to ISOs granted to each U.S. Option Holder:

- (a) ISOs shall only be granted to individual U.S. Option Holders who are, at the time of grant, employees of the Company (within the meaning of the Code). Any director of the Company who is a U.S. Option Holder shall be ineligible to vote upon the granting of such Option;
- (b) the aggregate Market Value (determined as of the time an ISO is granted) of the Shares subject to ISOs exercisable for the first time by a U.S. Option Holder during any calendar year under this Plan and all other Company stock option plans, within the meaning of Section 422 of the Code, shall not exceed One Hundred Thousand Dollars in U.S. funds (U.S.\$100,000). To the extent that this (U.S. \$100,000) limit is exceeded, such Options will be treated as non-statutory stock options. For purposes of this Section 11.7(b), (i) ISOs will be taken into account in the order in which they were granted and (ii) the calculation will be performed in accordance with Code Section 422 and Treasury Regulations promulgated thereunder.
- (c) if any U.S. Option Holder to whom an ISO is to be granted under the Plan at the time of the grant of such ISO is the owner of shares possessing more than ten percent (10%) of the total combined voting power of

all classes of shares of the Company, then the following special provisions shall be applicable to the ISO granted to such individual:

- (i) the Exercise Price (per Share) subject to such ISO shall not be less than one hundred ten percent (110%) of the Market Value of one Share at the time of grant; and
